

Akuter Press Release: **Azimuth Software, India chooses Akuter Enterprise**

**San Mateo, CA (October 15 2004)** — Akuter, Inc. (Akuter), developer of a unique Enterprise Knowledge Management software for regulation and certification driven companies, announced today that Azimuth Software, a Business Process Outsourcing Services provider based in India , has selected Akuter Enterprise to address their staff's needs for on-line training, compliance and certification.

**Didier Bourgeot**, Akuter's President & CEO, said, "We are proud to partner with Azimuth Software, which is becoming a leading company in outsourced services for US and European companies. Our partnership underlines Akuter's commitment to build and sustain its customers' competitive advantage and to provide the best possible solution to address their certification and compliance needs. Our partnership with Azimuth Software is another professional endorsement of Akuter Enterprise, our innovative eLearning enterprise system for fast business response. "

**Anand Krishnan** Azimuth's General Manager says "We were in need of an eLearning platform that we can use to train our associates often in remote locations. We also want to leverage our content specialists to develop training materials at lower cost through our outsourcing resources and offer an easy to deploy platform to our eLearning customers. Akuter will provide us with all of this." Akuter Enterprise will empower Azimuth's specialists to develop their learning objects with Akuter Author and publish them from the Akuter Management System platform.
