### **About Circle learning**

Circle Learning works with progressive companies who recognize the benefits of providing faster and more effective learning to their entire organization. Customers decrease their training costs while simultaneously increasing learning efficiency through significant reductions in training time, an average of 35% better information retention and access to learning support on demand, 24 hours a day and 7 days a week. Unlike other providers who focus on a generic e-learning interface, we identify the specific ways in which each client can benefit from online learning technologies. Circle Learning understands that the content of training and the profile of your learners must drive your online strategy.
