

Akuter Press Release:

Extrium will distribute Akuter Enterprise

San Mateo, CA (June 2nd, 2004) — **Akuter, Inc.** (Akuter), developer of a unique Enterprise Knowledge Management software for regulation and certification driven companies, announced today that **Extrium**, a Business Process Services Outsourcing provider, has selected **Akuter Enterprise** to address their customers' needs for on line training, compliance and certification.

Extrium offers pre-packaged outsourced Business Process Services to Small and Medium Businesses, a multi-billion US\$ market with a 21% CAGR. **Didier Bourgeot**, Akuter President & CEO, said, "We are proud to partner with Extrium, which is becoming a leading company in outsourced services for US and European companies. Our partnership underlines Akuter's commitment to build and sustain its customers' competitive advantage and to provide the best possible solution to address their certification and compliance needs. Our partnership with Extrium is another professional endorsement of Akuter Enterprise, our innovative eLearning enterprise system for fast business response. "

Akuter Enterprise will empower Extrium's customers to develop their learning objects with Akuter Author and publish them from the Akuter Management System platform. **Torben Moller**, Extrium President says "We were in need of an eLearning platform that we can use to train our associates often in remote locations. We also wanted to be able to offer our customers an easy to deploy platform for which we can develop training materials at lower cost through our outsourcing resources. Akuter will provide us with all of this."

About Akuter

Established in 2000, Akuter addresses the small and medium businesses Knowledge Management for Certification and Compliance market with Akuter Enterprise, revolutionary enterprise software.
