

West Vancouver School District selects Akuter Enterprise

West Vancouver, BC, July 15, 2002 — West Vancouver School District has selected Akuter Enterprise as the eLearning System of choice for building, managing and delivering training and information over the Intranet/Internet. Akuter will allow the School District to utilize the power of the Internet and the intelligent server to effectively communicate and train faculty, staff and students. Akuter Enterprise is a server-driven adaptive learning management system (ALMS) that will empower the West Vancouver School District to create, manage and track information and results.

Mr. Len Archer, Secretary-Treasurer for the West Vancouver School District, commenting on the mission statement of the School District, said: "Our goal is to inspire students to develop the knowledge, skills and attitudes essential for participation in our changing society, by creating a supportive learning environment and demonstrating our commitment to quality." Mr. Archer added, "our communications plan is to promote the strengths, successes and uniqueness of the West Vancouver Public School System. With this in mind, we have selected AKUTER as a business partner. The Akuter Enterprise is a revolutionary product that will help us meet our knowledge and skills objectives. We believe that the Akuter ALMS will play an important roll in developing the knowledge, skills, and attitudes essential to meet these goals."

Ron Calandra, Akuter, Inc. CEO, said, "We are very pleased with the West Vancouver School District decision to use Akuter Enterprise and we look forward to partnering with them towards a successful deployment of their eLearning strategy." He also added: "The West Vancouver School District choice of Akuter's technology confirms the unique benefits offered by our approach and model of the knowledge management market."

About West Vancouver School District:

Imagine working and living in one of the world's finest scenic landscapes! That is West Vancouver, situated between the North Shore mountains and the beautiful waters of Burrard Inlet and Howe Sound. Picturesque Lions Gate Bridge connects the North Shore with Vancouver, BC, a fast-paced business center on the Pacific Rim.

The West Vancouver School District, located in this beautiful setting, is committed to a unique Public School System, of which all West Vancouver residents can be proud. The School District supports 16 Public Schools (including a dedicated French Immersion school), a teaching/administrative staff of 600, plus 300 support staff and a student population of some 6,700.

About Akuter, Inc.

Established in 1999, Akuter, Inc., <http://www.akuter.com>, is a privately held eLearning Services Company that creates systems optimized for rapid, cost-effective deployment. Unlike traditional eLearning providers, Akuter products are designed for government agencies and enterprises that require a comprehensive knowledge management solution to help drive employee productivity immediately, without a large capital investment. Akuter customers include Swinerton, Granite Construction, Harland Financial Solutions, Goldendale, Visa, and Northwest Aluminum.

Akuter and Akuter Enterprise are trademarks of Akuter, Inc. All other trademarks are the property of their respective holders.
